Acknowledgement

When the Newfound Baptist Association was dissolved most of the Churches joined the French Broad Baptist Association. While I was working on a history of my Church, Union Baptist, trying to list the Pastors as far back as I could I contacted the French Broad Baptist Association. I was happy to hear that they did have the remaining records of the Newfound Association. These records were in 2 boxes on a top shelf. I wanted to preserve these records for future generations. To the best of my knowledge these books contain all the records that exist from the Newfound Baptist Association. I hope that they are a help to you. Be sure to check out the "History of the French Broad Baptist Association" in the OBCGS bookstore.

I would like to thank the French Broad Baptist Association for allowing me to preserve these records and for all their help.

In Memory

This set of books are done in memory and honor of the many Pastors, Preachers, Deacons, Moderators, Clerks, and Lay Members who held this together and passed this down to me.

The Baptist Hospital Report was given by Rev. Frank Willett. He moved that the report be adopted as read and it was seconded by Alan Payne. The report was adopted as read.

Calvin Knight from Baptist Hospital spoke on the ministry of the Baptist Hospital. He told of a patient from another state who after being treated at Baptist Hospital, could not say enough about the care he received while at Baptist Hospital. How could a place so big and complex, and its personnel so busy, give such a warm and caring spirit for its patients? The answer-because Christians care and therefore demonstrate it.

Mr. Knight spoke about the new additions in services at the hospital. He told of the new lasor treatment for blocked arteries which has a high success rate and is an alternative to surgery. He also spoke of the stereotactic radiosurgery which is used to destroy tumors of the brain and the PET Scanner system used to measure cell structures in the body and detect tumors that otherwise could not be found. Mr. Knight asked the question, What's high-tech, without care for people? Baptist Hospital is dedicated to care.

He informed the session that the hospital now has a video available about the services at Baptist Hospital. He then shared examples of blessings that he had witnessed over the past year. He spoke of a young man who was on his way to college one morning, when a tractor-trailer jackknived and hit the car he was driving. The truck hit his car so hard that it threw the young man thru the windshield onto the road. The young man was picked up by the helicopter from Baptist Hospital. He underwent over six hours of surgery to the cuts on his head and face that day and has had several more operations and many hours of therapy. But today, the young man is back at school, due largely to the speed of the helicopter rescue.

Mr. Calvin Knight closed by expressing his greatfulness to the churches in the association and North Carolina Baptists for their prayers, financial gifts and any other ways that care has been shown. He also said he was retiring from Baptist Hospital and may not be back with the New Found Baptist Association another year, but his sincere prayer was that the association would grow. However, he said he certainly did want to come back and visit sometime if it was the Lord's will.

The next report given was the Periodical Report by Rev. Ricky Townsend. Rev. Danny Little moved the report be adopted as read and it was seconded by Lionel Brooks. The report was adopted as read.

The Education Report was read by the Moderator Rev. Frank Willett He moved that the report be adopted as read and it was seconded by Rev. Matthew Sams. The report was adopted as read.

Mr. Wade Huey spoke on behalf of the Baptist Retirement Homes. He said that Bill Stillman, President of the Baptist Retirement Homes asked him to represent them and that Bill asked that he tell the association how much he appreciated their love and gifts to Baptist Retirement Homes. Mr. Huey spoke of the fund raising efforts that were underway to raise $1 million dollars by 9/1/1991 for a new 100 bed facility in Asheville. As of August 14, 1991 the total raised was $800,000, but Mr. Huey said God would provide and encouraged everyone to make a pledge. Mr. Huey concluded by telling the association how glad he was to be in attendance with the New Found Association.

The Temperance Report was given by Bob Mumblo. He expressed his concern that God must come first in a life for everything to go right. Floyd Waldroup moved the report be adopted as read and it was seconded by Alan Payne. The report was adopted as read.

The Associational Missionary Report was given by Rev. Frank Willett. He moved that the report be adopted as read. It was seconded by Rev. Danny Little and the report was adopted as read.

The congregation sang the song I Can I Will I Do, while an offering of $44.25 was received. Rev. Danny Little dismissed the meeting in prayer.

Friday, August 16, 1991, 7 p.m.. Bear Creek Baptist Church

The service began with Richard Freeman leading the congregation in singing the songs I'd Rather Be An Old-Time Christian and We'll Soon be Done with Troubles and Trials. Rev. Frank Willett welcomed everyone and read devotions from Isaiah, Chapter 12. He spoke on trusting in the Lord and how Christians were redeemed by the Blood of Jesus. Rev. Danny Little led an altar prayer.

Michael Worley gave the roll call of churches and there were four churches represented in the meeting.

Next, the clerk gave the State of Churches and Ministers Report. He moved that the report be adopted as read. The report was seconded by Rev. Ricky Townsend and adopted as read.

The Memorial Report was also given by the Clerk, Michael Worley There was a moment of silence observed as the congregation stood to its feet. Rev. Frank Willett led a prayer on behalf of the many loved ones who had lost members so dearly loved. The report was adopted as read.

Mr. Johnny Ross spoke on behalf of the CARE Program. CARE stands for Convention Associational Relationship Enhancement. He spoke on how we are laborers together-church-local-state and national level to care and love each other. He requested that the association pray for CARE and the General Board staff so that the good news of Jesus Christ could continued to be shared with others.

Mr. Bill Horton sopke on behalf of the Christian Action League. He told of the major obstacles the league was facing such as abortion, liquor by the drink, the lottery, parental consent laws, drunk driving and open containers. Mr. Horton concluded by requesting the prayers of the association and saying "The Lord is Faithful!"

Mr. Luther Osment attended the session from the Baptist Children's Homes. He gave a very real example of the care that is given at Baptist Children's Homes in the following: Betty was a seven year old little girl who had been molested by her mother's boyfriend. Unbelieveably, this is the norm rather than the exception, in that, 80% of the girls who come to the homes have experienced this tragedy. Betty's situation had not been dwelt with and by age 13 whe had become uncontrollable. Her mother placed her in the children's home during the summer. The first day was extremely tough--Betty told her new house parents and the other children in the home exactly what she thought of them. On day two, she tried to run away. However, her house parents continued their daily devotions

Betty began to show signs that she was softening. Her house parents saw an opening to share Jesus with her, but Betty responded that she didn't want anymore Christian business and all she believed in was Satan. Her house parents didn't give up. On Sunday morning at church after the message, the preacher gave an invitation and Betty turned to her house parents and asked if they would go up with her--she wanted to accept Christ as her Saviour. Betty is now a new creature in Christ and has been baptized.

Mr. Osment told that churches grow as they minister beyond themselves. God blesses faith and unselfishness. He requested prayer for the continuing ministry for the children of Baptist Children's Homes.

Mr. Wade Huey spoke on behalf of the Baptist Retirement Homes. He told of the fundraising efforts that were underway for the new facility that was to be built in Asheville, NC. He gave a very example of how working together we are much stronger and can get more done by the following: Take one match stem and it breaks easy. But take 15-20 match stems and they are alot harder to break.

The Place and Preacher Report was given by Michael Worley in the committee's absence. He moved that the report be adopted as read and it was seconded by Rev. Ricky Townsend. The report was adopted as read.

The floor was opened for new business at this time. There was discussion to eliminate individuals reading reports by sending the reports in to the clerk in advance of the meetings, so he could print the reports and present them to the session on Thursday night for their review. Then on Friday night, either adopt or amend the reports individually. Rev. Ricky Townsend made a motion to this effect and it was seconded by Alan Payne. It was adopted unanimously.

There was also a motion by Rev. Ricky Townsend setting the first Thursday in June to gather information for the associational reports. The motion was seconded by Lionel Brooks and approved by the session.

The evening message was brought by Rev. Ricky Townsend. He read from the scripture Proverbs, Chapter 22, Verse 28: "Remove not the ancient landmark, which they fathers have set." He spoke on how almost everything changed in this life, but the Word of God, the greatest landmark, doesn't change! Another landmark of God, is the Christian Life. The other landmark that Rev. Townsend gave was the Reward of God. "Eye hath not seen, nor ear hath heard..what the lord has prepared for his children." Rev. Townsend message was very powerful and moved many to testify of the Lord's goodness.

The congregation sang the song Amazing Grace, while an offering of $38.00 was received.

The meeting was adjourned when Kenneth Worley dismissed in prayer.

ASSOCIATIONAL MISSIONARY REPORT

1990 - 1991

Galatians 6:9 "And let us not be weary in well doing: for in due season we shall reap, if we faint not."

Greetings friends and church family:
As Director of Missions in the past year I saw so much that could have been done, and I found myself coming up short. I hope that I have been a help to all pastors who have called for help. It has been a good year for our home church Zion Baptist.

I have visited seven different churches in the New Found Association and a total of twenty-one visits in all. I preached a revival with one of our churches. I have traveled approximately 5,000 miles and received $500.00 in total offerings. My mileage included revivals, hospital visits, home visits, and funerals.

I have also visited seven churches outside of our association traveling 249 miles and receiving $100.00 in offerings. I would like to thank all pastors and churches for their support. We pray that God will richly bless you in the coming year.

I Corinthians 15:58 "Therefore, my beloved brethren, be ye stead-fast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.

BAPTIST CHILDREN'S HOME REPORT

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future!

Three pillars that uphold that futuristic foundation are:
1. The return of the Thanksgiving Offering beginning in November 1991;
2. The success of our "Give a child a chance!" financial campaign, and
3. Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A&T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there to pave their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our western-most campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-North Carolina will donate 10 percent of everything it receives over the $500,000 goal for work in that desperately needy land.

In August 1990, BCH signed an agreement with Gaston County Dept. of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge our North Carolina churches to renew commitment to cooperative giving. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

THE BIBLICAL RECORDER

Associational Report--1991

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

PERIODICAL REPORT

As Christians, we have the responsibility to carry forth God's message of hope and promise of eternal life to all the world.

One way we have of measuring our effectiveness is through the Southern Baptist Periodicals. These periodicals are not only informative, but are encouraging and uplifting. They proclaim the results of our mission programs, and the medical advances at our Baptist hospitals. From the pages of these journals we read first-hand the problems faced by our youth, as well as, our senior citizens.

In addition our periodicals share with us the blessings God is bestowing on his people. These same periodicals provide insight into the moving of the Holy Spirit as people all over the world hear and respond to the call of salvation.

BAPTIST RETIREMENT HOMES REPORT

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of North Carolina Inc., which operates four residential facilities for Older Adults around the state - in Albemarle, Asheville, Hamilton and Winston-Salem.

In Asheville, our efforts include a move toward expanding the Western North Carolina Baptist Home. The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a health-care unit to the facility, a unit offering skilled and intermediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

Around the state, the other homes face a promising year.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care- independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit- to 350 Older Adults.

The facilities in Albemarle and Hamilton provide assisted living in a residential setting to 30 Older Adults each. Both programs are greatly enhanced by the strong support of the surrounding community and its churches The Brotherhood, WMU and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs- whatever they see are needed by each home.

The Albemarle Baptist Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility The cost of the care is paid by the family, and it provides overnight care for whatever length of time the family needs.

It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

Please pray for our ministry.

NORTH CAROLINA BAPTIST HOSPITAL

REPORT TO THE ASSOCIATIONS

1991

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer it's patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

TEMPERANCE REPORT

II Peter 1:6-7 "And to knowledge temperance; and to temperance patience; and to patience godliness; And to godliness brotherly kindness; and to brotherly kindness charity."

Temperance is defined as moderate self-control. As Christians do we have enough temperance and self-control in our lives toward our fellow man? Look at our world today and our young people. Are we, as Christians, meek enough to hold out a helping hand to one another, or are we too quick to provoke? Let us be led by the spirit, not by the flesh and our works will not be in vain.

Galatians 5:26 "Let us not be desirous of vain glory, provoking one another, envying one another."

Lord, help us to love one another, help one another be sober, temperate people.

Respectfully Submitted,

Bob Mumblo

CHRISTIAN ACTION LEAGUE REPORT

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts stating that citizens from North Carolina are spending 100 million dollars annually in the Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 1991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working the halls of the Legislature daily promoting lottery legislation.

Even though lottery legislation passed the Senate, it was quite evident that the lottery lobbyists could not line up enough votes to get the measure through the House of Representatives. Lottery supporters did not push for a vote, for they knew that the legislation would be dead. Therefore, the proposal will be eligible to be considered in the next legislative session when it convenes in June, 1992

Between now and then, it is of utmost importance that you secure a commitment from your representatives in the North Carolina House to oppose state-sponsored gambling. The Senate will not be voting on the lottery in 1992 because it has already passed that body.

Key lottery supporters were Senator Ken Royall (D-Durham), Senator George Daniels (D-Caswell), Representative David Redwine (D-Brunswick), Representative Joe Mavretic (D-Edgecombe), Representative Robert Hunter (D-McDowell) and Representative Frank Rhodes (R-Forsyth).

Opponents of the legislation were led by Governor Jim Martin, Lieutenant Governor Jim Gardner, Senate President Pro-Tem Henson Barnes (D-Wayne), and Speaker of the House Dan Blue (D-Wake).

While we were successful in side-tracking lottery legislation, the Legislature refused to enact the following proposals:

1. PARENTAL CONSENT...North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.

2. DRUNK DRIVING...The House passed legislation that would change the alcohol blood level from .1 to .08 as the breathalyzer standard for Driving-While-Impaired. The Senate refused to act on this proposal.

3. OPEN CONTAINERS OF ALCOHOLIC BEVERAGES IN MOTOR VEHICLES...It is ironic that an open liquor bottle is prohibited in a motor vehicle, yet there is no limit to the number of open beer containers allowed in a motor vehicle. Highway safety authorities confirm that a large majority of the drivers charged with driving-while-impaired are beer drinkers. N.C. Highway Patrol officials endorsed the open container legislation, but it got "hung up" in a House committee.

4. TEEN-AGE PREGNANCIES...In order to address this growing problem, legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools. (Such instruction has been very successful in reducing teen-age pregnancies in other areas of our country.) However, such a program was opposed by our N.C. Department of Public Instruction. Education officials charged that such legislation would be imposing a standard of morality upon our youth. The measure simply stated: "The State Board of Education shall adopt rules to provide that the public school curriculum shall include instruction, in appropriate grades and classes, that abstinence from sexual activity outside of marriage is the expected standard for all school-age children, that abstinence from sexual activity is the only certain means of avoiding out-of-wedlock pregnancy, sexually transmitted diseases, including AIDS, and other associated health problems; and that a mutually faithful monogamous relationship in the context of marriage is the best lifelong means of avoiding sexually transmitted diseases, including AIDS."

5. ABORTION FUND...North Carolina is the only Southeastern state that used state tax funds for medically unnecessary abortions. Some $400,000 of state tax funds have been budgeted by the state legislature to pay for these elective abortions. Therefore, we are denying thousand of babies right here in North Carolina their constitutional right of life, liberty, and the pursuit of happiness.

How can we turn the tide on these important moral issues? It will occur when North Carolina Baptists and other Christians are willing to become actively and publicly involved in upholding our Judea-Christian moral standards. It is not enough to wring our hands and just talk about problems. We need to cry out publicly and act against sin. Baptists need to be informed about the stands taken on these issues by those who are running for public office, and the vote for those who reflect our standards.

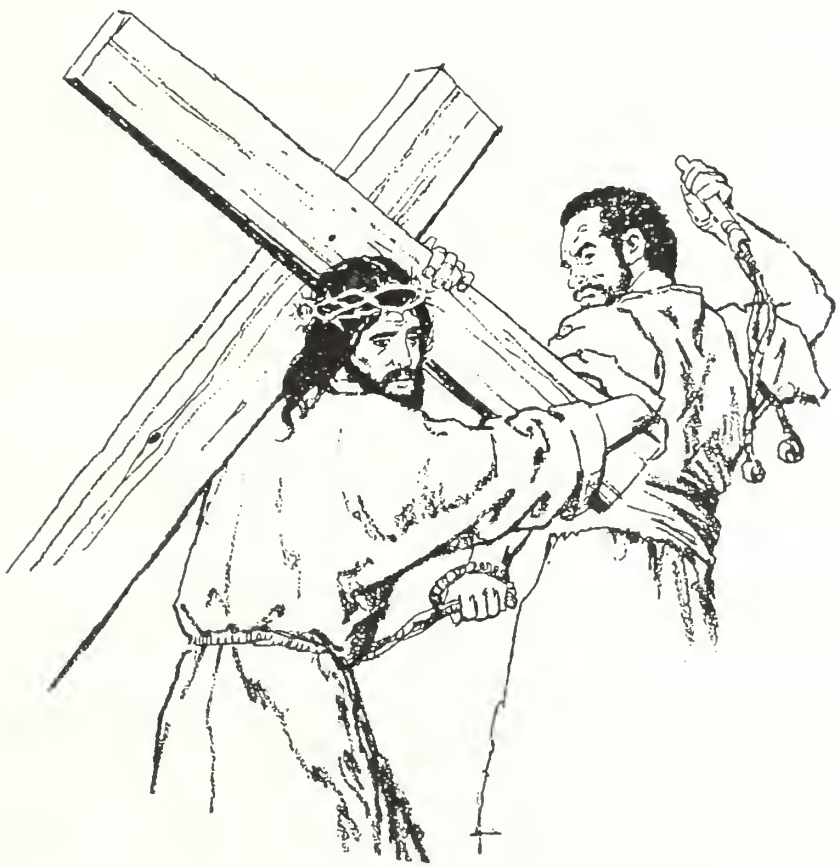
In addition to a demanding legislative session, the Christian Action League has successfully assisted several counties and municipalities in liquor, beer, and wine referendums.

Good Government Seminars were conducted in the Asheville and Wilmington areas, at which some of the above issues were addressed. Nationally recognized authorities came to share their expertise on the issues of gambling and family matters. These included Dr. Paul Cameron, Chairman of the Family Research Institute, Washington, D.C.; Austin McGuigan, former State's Attorney for Connecticut, and Bill Swindell, National Field Director, American Family Association, Tupelo, Mississippi

We praise God for your prayer and financial support as we join in addressing the moral and ethical issues facing our society.

Joe S. Lennon, President

Coy C. Privette, Executive Director



The Lord's Prayer

Our Father which art in heaven,
Hallowed be Thy name.
Thy kingdom come.
Thy will be done on earth,
As it is in heaven.
Give us this day our daily bread.
And forgive us our debts,
As we forgive our debtors.
And lead us not into temptation,
But deliver us from evil;
For Thine is the kingdom, and the
Power, and the glory, for ever.
Amen

The Moderator encouraged the session to participate in the meeting and continue in prayer.

Dr. Jesse Chapman spoke on behalf on NC Baptist Hospitals, Inc. He informed the session that Mr. Bill Yates had taken Calvin Knight's place at the hospital. Dr. Chapman gave the following information about the hospital's ministry: From modest beginnings 69 years ago, North Carolina Baptist Hospital has grown to an 806-bed facility serving the region and the nation. The hospital was opened in 1923 by the NC Baptist State Convention and operated as a community hospital until 1941, when a partnership was forged with the Bowman Gray School of Medicine of Wake Forest University. The Bowman Gray/Baptist Hospital Medical Center is now into its second half century of service.

The combined talents of more than 5,700 hospital employees provide outstanding health care in settings as diverse as the Brenner Children's Hospital, the Trauma Center and the J. Paul Sticht Center on Aging and Rehabilitation. Those talents are backed by the most modern facilities and technologies.

A concern for the patient's spiritual and psychological welfare is evidenced by the hospital's large and active Department of Pastoral Care and its extensive counseling program.

Dr. Chapman then asked the session: Do you believe in miracles? He then proceeded to site a few that had taken place recently at the hospital. For example: Mr. Bradley was an older, disabled gentlemen who had to stay in the hospital for an extended period of time. His wife already past retirement age herself and with little savings, was forced to go back to work (12-14 hrs a day) in order to try to pay for his hospital bill. She was already taking care of her aged parents and things were really difficult for her in every aspect. Baptist Hospital notified her that her husband's bills were paid in full from the Baptist Benevolent Fund--supported from Baptists for people who cannot pay for care. Mrs. Bradley sobbed and immediately praised and thanked God for this wonderful miracle.

Dr. Chapman closed by asking the session to remember the Hospital in their prayers and if possible, financially.

Mr. Wade Huey spoke on behalf of the Baptist Retirement Homes. He began by telling of a somewhat humorous story that recently took place at the Retirement Home. There was an elderly gentlemen named John who was going to be 90 years old on his next birthday and he had met a special lady named Elizabeth, age 88, while at the Retirement Home--and they had fallen in love. John wanted to marry Elizabeth, but wasn't sure that was permissible, so he asked the Director if marriage was allowable. The Director told John that if it would make their lives longer and happier--then go for it! Well, John and Elizabeth took a walk down to the flower garden the next day and sat down on a bench there in the garden. John got his nerve up and crawled down to his knees, and told Elizabeth he had two questions to ask her. The first question was: Would she marry him? Of course Elizabeth was thrilled and said YES. However, Elizabeth was curious what the other question could be, so she asked John what it was. John said, "Honey, would you please help me up?"

Mr. Huey also spoke on the progress of the new facility in Asheville that was to be built. Finally the state has recognized the great need for elderly care needed in the Asheville area and approved the construction of the home. He encouraged everyone to pray for the ministry of the Baptist Retirement Homes and any financial resources would be greatly appreciated.

Mr. Joe David Fore spoke on behalf of Sunday School CARE. He began by saying that 28 years ago, he promised God he would do anything except be a missionary in Africa, but after serving as Western Carolina University's campus minister, he quickly changed his mind. Seriously, Mr. Fore spoke of his dream of connecting the ministry of the Baptists in all their many functions. He hopes to serve as a link from the local association to the state convention, thereby getting the word to everyone about what God is doing. Mr. Fore encouraged everyone to call on him that he might be of service to the New Found Association.

Mr. Jim Johnson attended the session from the Baptist Children's Homes. He has been a house father at the Broyhill Children's Home for eight years, with twelve children under his care and supervision. Also in the house with him are his own wife and their two sons. Mr. Johnson shared many real life experiences, some good and some not so good. However, he ended his talk by remembering God's Word would not return unto Him void, but would accomplish that for which it was sent. He thanked the association for their continued support in prayers and financial gifts.

The Periodical Report was given by Rev. Ricky Townsend. He moved that the report be adopted as read. It was seconded by Floyd Waldroup and the report was adopted as read.

The Temperance Report was given by Bob Mumblo. Floyd Waldroup moved that the Temperance Report be adopted as read and it was seconded by Rev. Ricky Townsend. The report was adopted as read.

The congregation sang the song Victory In Jesus, while an offering of $46.00 was received. Rev. Danny Little dismissed the meeting in prayer.

Refreshments were provided by the good ladies at Jones Valley Baptist Church for the session after the meeting. Dr. Jesse Chapman blessed the refreshments and thanked the Lord for the wonderful meeting.

Friday, August 14, 1992, 7 p.m.. Old Bull Creek Baptist Church

The Moderator Frank Willett welcomed everyone to the associational meeting and thanked Old Bull Creek Baptist Church for allowing the session to be held with them. Alan Payne led an altar prayer.

The service began with Mr. Preston Fox leading the congregation in the beautiful songs: Blessed Assurance, Love Lifted Me and When We All Get To Heaven.

Rev. Joe Coffey then read devotions from Hebrews, Chapter 4, Verse 12. He spoke on the thought of how when we look at the Word of God, we see ourselves unworthy and in great need of the Lord.

The Moderator then called the meeting to order for business.

Rev. Ricky Townsend made the motion to adopt the associational reports as printed and distributed for review on Thursday night's session The motion was seconded by Alan Payne and the reports were adopted as presented.

The Place and Preacher Report was given by the Moderator. Alan Payne moved the report be adopted as read and it was seconded by Rev. Ricky Townsend. The report was adopted as read.

The floor was opened for new business at this time. There was no new business to be discussed.

The Clerk Michael Worley gave the roll call of churches. There were five churches in attendance: Jones Valley, Lower Big Pine, Old Bull Creek Redmon and Zion Baptist Church.

Loreen Townsend sang a beautiful song for the congregation: A Song Holy Angels Cannot Sing. Also, Gwen Metcalf from Old Bull Creek Baptist Church sang: There Is A River.

The evening message was brought by Rev. Bill Gillespie. Rev. Gillespie read from Matthew, Chapter 5, Verses 13-16, and preached on the thought of the Church. He told of how the church is the bride of Christ and the mother of souls. He also expounded upon the thought of the salt of the earth--how salt not only flavors, but also perserves. Until the salt is applied-God's Word and Spirit- then it doesn't do us or anyone else any good.

The congregation sang the song Let My Life Be A Light, while an offering of $33.50 was received. Mr. Wade Huey blessed the offering.

The meeting was dismissed in prayer by Mr. Van Proffitt.

IN ALL THY WAYS ACKNOWLEDGE HIM

1992 Associational Report – Baptist Children's Homes

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its **"Give a child a chance!"** financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change and often. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a child a chance!" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

Still, the *Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.*

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

THE BIBLICAL RECORDER

Associational Report--1992

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

PLACE AND PREACHER REPORT

We, the committee on Place and Preacher, wish to report the 138th session of the New Found Missionary Baptist Association will be held on Thursday, August 12, 1993, with Lusk Chapel Baptist Church, beginning at 7:00 p.m.. The second session will be held on Friday, with Antioch Baptist Church, on August 13, 1993, at 7:00 p.m..

SERMON: Rev. Matthew Sams

PERIODICAL REPORT

The past year has brought many changes which Christians all over the world have been praying faithfully for; for seventy years: (1) The absolving of the Communist Government in the former Soviet Union.. (2) The destruction of the wall dividing East and West Berlin, thereby reuniting families separated over forty years.

While these changes have been significant, we must not allow ourselves to become any less dilligent in our prayer life. James 5:16 reminds us that, "The effectual fervent prayer of a righteous man availeth much." Truly much remaineth to be accomplished for our Lord and Saviour.

This past year has also provided additional opportunities to further promulgate the Gospel of Jesus Christ as was spoken by the prophet Isaiah. Isaiah 61, Verses 1 & 2: "The Spirit of the Lord God is upon me; because the Lord hath annointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and opening of the prison to them that are bound." "To proclaim the acceptable year of the Lord...." This wonderful and exciting news has been highlighted in the pages of the Southern Baptist Periodicals, outlining the need for God's people to unite, love one another and serve faithfully the risen Saviour.

Less we allow these dramatic events throughout the world overshadow us, let us turn our eyes toward home. Each of the periodicals have been faithful to report both the accomplishments and struggles within the "Southern Baptist" faith. Thru these challenges we have watched God's people unite in brotherly love and Christian values to stand uncompromising in the Word of God. As Christians, we must notrelinquish the Holy Ground on which we stand. There must always be love for the sinner, but no acceptance of the sin, as we struggle against such issues as immorality, homosexuality and marital infidelity.

It is our prayer that we may ever live and abide by the words spoken in John 3:17: "For God sent not his Son into the world to condemn the world; but that the world through Him might be saved." We must remember we are not to judge, but rather to love.

BAPTIST RETIREMENT HOMES REPORT

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality longterm care services to the "Aged Saints" of our Convention.

The Fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our State, there were not enough nursing care beds to meet the needs of the growing number of Older Adults.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes has been working to develop a system of affordable quality nursing care beds throughout the State. In 1992, 1993 and 1994, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill in Northwest Asheville.

Your support has made the above possible.

North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60% of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Care Center in Asheville...a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly...the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults.

William B. Stillerman, President

NORTH CAROLINA BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1992

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in it's rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Stitch Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

TEMPERANCE REPORT

John 15: 5 "I am the vine, ye are the branches. He that abideth in me, and I in him, the same bringeth forth much fruit, for without me, ye can do nothing."

Temperance is defined as moderation self control and restraint from overindulgence of any kind. Moral or legal correctness is not enough to make up the christian character. You have to have faith, meekness, temperance, joy, peace, and above all LOVE. Your character has to show an expression toward God, and the fruits of your labor will return and be increased and blessed by God. So let us strive to refrain from overindulging in the things of the world, that do not please God, and be sober, temperate people; love and help one another; be humble toward other people and their needs. Lord, if we have enough faith in you, and temperance, you will give all the increases and we thank and love you for that.

Psalms 16:11 "Thou wilt show me the path of life, in thy presence is fullness of joy; at thy right hand, there are pleasures for evermore

MISSIONS REPORT

Matthew 28: 18 "And Jesus came and spake with them, saying, All power is given unto me in heaven and in earth."
Matthew 28: 19 "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost."
Matthew 28: 20 "Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen."

God wants us to go and make a business of this work. The disciples had dated on Christ's bodily presence, hung upon that and built all their joys and hopes upon that; but now Christ discharges them from further attendance on his person-and sends them abroad about other work.

As an eagle stirs up her nest, flutters over her young to excite them to fly, so Christ stirs up his disciples, to disperse themselves over all the world. It is given to their successors, the ministries of the gospel, whose business it is to transmit the gospel from age to age to the end of the world in time, as it was theirs to transmit from nation to nation, to the end of the world in place, and no less necessary.

How far his Commission is extended; to all nations. Go, and disciple all nations. Not that they must go all together into every place, but by consent disperse themselves in such manner as might best disperse the Light of the Gospel.

What is the principle intention of this Commission? To disciple all nations. Do your utmost to make the nations, Christian nations.

The Lord's Prayer

Our Father which art in heaven,
Hallowed be Thy name.
Thy kingdom come.
Thy will be done on earth,
As it is in heaven.
Give us this day our daily bread.
And forgive us our debts,
As we forgive our debtors.
And lead us not into temptation,
But deliver us from evil;
For Thine is the kingdom, and the
Power, and the glory, for ever.
Amen

ASSOCIATIONAL MISSIONARY REPORT

1992-1993

MATTHEW 28:19 - Go ye therefore, and teach all nations, baptizing them in the name of the Father and of the Son and of the Holy Ghost.

GREETINGS TO ALL OF THE CHURCHES, IN THE NAME OF THE LORD:

As Director of Missions last year, we were unable to accomplish all we set out to do. One of our goals was to publish a monthly newsletter, so that each church could be kept informed of the happenings in their sister churches. But we still hope to be able to compile one in the coming year.

We visited all of the churches in the association and 6 churches in lay revivals, traveling a total of 1850 miles. We received in offerings $881.00.

I would like to thank all of the pastors for their support this past year, and hope and pray that next year will be an even greater year.

PSALMS 143:8 - cause me to hear thy loving - kindness in the morning; for in thee do I trust; cause me to know the way wherein I should walk, for I lift up my soul unto thee.

1993 ASSOCIATIONAL REPORT

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
PO BOX 338 • THOMASVILLE 27361-0338 • (919) 472-1000

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Chris also earned national honor society recognition, was active in the community counseling drug abusers... and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "Who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast... and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist Churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the NC Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available Aug. 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Mary Lou Dickey promised, "we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

THE BIBLICAL RECORDER

Associational Report--1993

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

1993: THE BEST OF TIMES

Did you know that:

In 1993, North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65)

That one-half of all the people who have ever lived to be sixty-five (65) are now living

The fastest growing segment of North Carolina Baptist life is composed of those adults eighty-five (85) and older and that by the year 2000 that age category will double in size

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty-five (55) every 18 seconds

That by the year 2010 one out of every two people living in North Carolina will be fifty (50) years of age or older?

What do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as we move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Carolina, Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid certified nursing care facility).

The Rickman Center is a state-of-th long-term care facility that has beer developed to meet the needs of the poor elderly in Western North Caro (80% of the resident population will recipients of benevolent funding).

Renovated the Albemarle Baptist Hc in Stanly Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the ass living level of care resident, regard of his/her ability to pay for the long term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Wir Salem in order to provide an area f small group work with residents suffering from dementia. This state the-art program will enable Baptist Retirement Homes' staff to improve qualify of life experienced by mem of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Carolina Baptists of the above would have been pos As a result of the prayers and fund that the "Homes" receives through Cooperative Program and the Nort Carolina Offering For Older Adults has been able to offer hope to mai Older Adults whose future would h been uncertain without the caring involvement of North Carolina Bap It is because of you that our institu has been able to make life for mar Older Adults in 1993 . . . The Best Times.

Thank you North Carolina Baptists your support!

Meeting the Challenges of Health Care

1993 Report to the Associations

"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

POINTS OF EXCELLENCE

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation.
(2) We performed our first pancreas transplant and first double organ transplant (pancreas and kidney) this year.
(3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, Md. to Atlanta, Ga.
(4) Quality infant through adolescence care in our Brenner Children's Hospital.
(5) Our neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S.
(6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of excellent stewardship.

(1) The latest report of the North Carolina Database Commission comparing hospital major services charges vs. Baptist Hospital reveals, for our most frequent diagnoses:

Duke - 36% higher
Carolina's Medical Center (Charlotte) - 36.5% higher
UNC-Chapel Hill - 28% higher
Average statewide - 9% higher

(2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same period will average 3.3%, well under both the above mentioned indexes.

EXPANSION FOR MEETING THE NEEDS OF THE FUTURE

Nursing Center at Oak Summit

Opening in July, this 170-bed facility provides skilled and intermediate care. The center will be one of only a few in the state to provide care for ventilator-dependent patients.

Emergency Department/Dietary

Under construction at the present time to be completed by June 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 29,000 patients an but it is handling more than 40,000. Our new ER cap will be 70,000 annually. This building will also house floors of patient private rooms, our Pharmacy Departn and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation

Construction on this facility begins in November of 19 is scheduled for completion in January 1996. It will in geriatric care, research, and education; psychiatry; and provide comprehensive acute rehabilitation services in nutrition assessment, physical, outpatient, speech, and tional therapy.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $422,000 to our nual Mother's Day Offering. All of these monies went t relieving the financial burden of scores of former patien who have little or no health-care insurance and no finan means to pay their hospital bills. The churches and indi help make this ministry possible and we are grateful.

In conclusion, it is readily seen that this healing minis we share together says to our patients and their families: "We care about your health-care needs, your spiritual an emotional needs, and your financial burdens, and we ex our caring through service."

Respectfully submitted,

REPORT TO THE ASSOCIATIONS
1993

Do you believe in miracles? They still occur, and we experienced one in the 1993 session of the N.C. General Assembly. No gambling legislation was enacted during that legislative session.

When the legislators came to Raleigh on January 27, 1993, veteran legislature observers admitted that this was the year for a state-operated lottery bill to get out of the General Assembly. Both Governor James B. Hunt and Lt. Governor Dennis Wicker, both former lottery cpponents, had endorsed the proposed lottery legislation. Furthermore, there were 42 new House members, and a large majority of them had campaigned supporting the lottery. Out of the key elected state officials, gambling opponents had only one friend, House Speaker Dan Blue, and he made no apologies about his opposition to state-sponsored gambling.

What happened? Concerned Christians began to speak up and contacted their legislators. By the time, Senate Bill 11, The State Lottery Act, had passed the Senate by a vote of 27-23, House members who had campaigned supporting lottery legislation began contacting members of the House Committee on Constitutional Amendments and Referenda to keep the bill in committee.

In the meantime, some 20 workshops were conducted throughout the state educating and motivating the Christian community about this insidious evil under the sponsorship of the League, N.C. Baptist Men, Woman's Missionary Union, the Council on Christian Life and Public Affairs, and the N.C. Christian Coalition. Resource leaders included Dr. Norman Geisler, author, GAMBLING A BAD BET; Dr. Patrick Anderson, Professor of Criminology, Florida Southern College; Dr. Paul Jones, Executive Director, Mississippi Christian Action Commission; Bill Brooks, Executive Director, CITIZENS AGAINST THE LOTTERY; from the Baptist State Convention, Doug Cole, Executive Director, Christian Life Council; along with George Reed, Director of Christian Citizenship; and members of Gamblers Anonymous.

In the closing days of the legislative session, Rep. David Redwine, (D-Brunswick), who has introduced lottery legislation for the past 10 years, requested that the bill be held over until the 1994 session.

Of course, this will give the $300 billion gambling industry some 10 months to re-group their supporters. Also it will give concerned Christians the time to get their

message to lawmakers that gambling is bad public policy, and such legislation ought to be defeated.

There is also a pari-mutuel gambling proposal (horse racing with off-track betting parlors) before the General Assembly. The Senate Bill has already passed a Senate Committee and is currently in the Senate Finance Committee. The House Bill has also passed a House Committee and is currently in the House Appropriations Committee. Both bills are eligible for the 1994 session.

Someone has said: "The only lesson we learn from history is that we don't learn from history." North Carolina had an experience with pari-mutuel gambling with dog tracks in Currituck and Carteret Counties in the early 1950's. The N.C. Supreme Court closed them down as being a public nuisance.

Perhaps there is no industry that is "riddled" with corruption as much as the gambling industry. Last year we had legislators indicted in S.C. for accepting bribes from gambling lobbyists. Some 10 public officials have pled guilty to corruption charges in Kentucky over a gambling "scam", and 12 others are under investigation. In Arizona, legislators have gone to prison due to a gambling scandal. We have had Governors from West Virginia and from Maryland to go to prison due to gambling scandals in their respective states. Wherever you have legalized gambling, undoubtedly, you will find corruption in government.

This is why it is urgent for committed Christians to contact their legislators and urge them to oppose any gambling proposals.

DRUNK DRIVING: When you deal with politicians, tenacity is a key. For ten years, we have sought legislation that would establish .08 breathalyzer reading as the standard for drunk driving in North Carolina. In the past, we were able to get such legislation through the House, but the Senate was the graveyard. The measure would always be referred to a hostile Senate Committee composed largely of trial lawyers, and that would be "death" to such a proposal.

With a change in Senate leadership, the .08 breathalyzer legislation will become law on October 1, 1993, which will be a useful tool in helping to remove drunk drivers from the highways.

The League continues to assist local communities in combating our No. 1 drug problem, alcohol. Let us know if a liquor referendum is to be held in your area, and we will be ready to help.

Thank you for standing with us in the cause of Applied Christianity through your prayer and financial support.

Sincerely,

Joe S. Lennon,
President

Dear Brother Bullard;

Replying to your letter of January 28, 1948 I am more than pleased the Board will help the New Found Association another year.

Have delayed answering this letter to give me time to see some of the officials of the Association and did so February 29th. and we, the officials decided to go after the churches to support a full time Associational Missionary. I am to write each church and find out if they will approve and by how munch. I am sure they will.

When writing the churches I am to find out how many went the Vacation Bible Schools and to advise me on that subject at once. I will not be able to take up this work till after the 15th of March.

With best wishes, I am yours

Sincerely

J.Henry Roberts, Clerk

Dear Brother Roberts:

I am glad to advise you that the request of the New Found Association for 1948 has been approved. The Convention will continue to pay Mr. Worley $50 per month for his service until the association meets in August. We appreciate what Mr. Worley is doing, but would so much like to work out a full time arrangement in that association. Before very long I hope to have the privilege of talking with you and Mr. Vaughn about this matter.

The amount requested for work during the summer can be worked out satisfactorily I think. I would like to see Miss Snelson return for that work and perhaps that can be arranged.

With kindest regards, I am

Yours sincerely,

G. W. Bullard

REPORT ON PUBLIC MORALS

J. Henry Roberts

J. Henry Roberts

REPORT ON PUBLIC MORALS

Religion has two relationships--to God and to Man. We may think of the morals of man in individual or group relations. Evil groups as well as evil individuals have bad influences. Christianity begins with the individual and his relations to God and passes on to his human relations.

We have greatly neglected the group relations of men. We are coming to realize that we cannot live compartment lives and that we must be Christian in all the relations of life. There is no place where the redeemed soul can stop being Christian. When we become members of groups whether social, economic or political the moral imperative still holds. We are seeing how pagan social life stains the life of the individual. Jesus realized this and so he brought the Message of the Kingdom of God on earth. We have accepted the former and waded the latter by faculty exegesis which has spiritualized or postponed the Gospel of the Kingdom.

We have been accustomed to use "Gospel" to indicate the way the individual is saved rather than as also including the Message of the Kingdom. We do not believe it is an "either", "or" matter, but that Jesus meant for redeemed individuals to seek to change the group life to conform to the Kingdom ideals. Perhaps we should say, "The Social Message of Christianity" rather than the social "Social Gospel."

The appalling breakdown of our economic order has had its dire effect on the moral and religious life of our people. Greedy, ruthless capitalism has increased its power and its wealth. The machine displaces labor; unemployment has been out of reason; the aged are finding it increasingly difficult to make a living. Capitalism has demonstrated its ability to produce but not to distribute. The spirit of the early church would go far to correct this appalling situation, "Christ or Communism."

Democracy is increasingly menanced by Communism and Fascism. Fascism, the united rule of big business is increasing popular in many circles. Fascism leads to political slavery and enforced social. We Baptists had a noble part in bringing in democracy and we must boldly stand for it today.

We need to inform ourselves concerning "Man's inhumanity to Man." We Americans are so kind in our "personal" and so brutal in our "group" relations. Lives are lost in clashes between capital and labor. Labor must learn the power of non-violent resistance. We must settle our differences without use of arms and gas, etc. We are strongly opposed to company employed and armed policemen and guards. We believe that neither side should keep the peace, that is the duty of the state.

We must give more serious attention to the problem of leisure. We grow worse a great deal in the unworthy use of leisure. The tendency is to be spectators rather than participants. This has little cowardly power. In this day of increasing leisure we must help people to find ways to use their leisure that will satisfy and build character in place of destroying it as much of our leisure does today. Too often our attitude has been one of condeming certain forms of ~~amusement~~ with nothing to suggest to take their place. building up

We are all concerned with the possibility of wars. We do not know how much danger is real and how much is propoganda of the munition makers who want more and more profit out of blood and tears. We should read our papers with a critical eye.

We must beware of the demon of propaganda. Let us look at this matter in the spirit of Jesus and we shall become a mighty bulwark against wars of any kind.

We must seek more and more to understand our days and what is Christian in all our group relations. We should explore the possibilities of the spiritual forces of Christianity, forgiveness, love, mutual aid and service. We must seek to do what is right whether we succeed or not and no longer be fashioned in our thinking and doing by the gods of the world, Mammon, Venus, Mars. The times are tense with possibilities. We must be understandingly and resolutely Christian no matter what the cost may be.

North Carolina Baptist Hospital
Report to the Associations
1992

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to

Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in it's rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Stitch Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

Respectfully submitted,

Last year, we enjoyed the children's program and the message of the day as well. We hope this year to have every church in the association represented this year at Jones Valley. We are extending a cordial invitation for each and everyone to come and bring your Youth Choir or Quartet, or any of the children to recite Bible verses which they have learned in Bible School or Sunday School.

We would like for each Pastor and Sunday School Superintendent to be with us as well.

July 13, 1985

Dear Fellow Laborers for Christ;

The 50th annual session of the Newfound Missionary Baptist Association Sunday School Convention will meet with Jones Valley Baptist Church, Big Sandy Mush Rd. Leicester, N.C. on Saturday August 3, 1985 from 9:30 a.m. till 3:00 p.m.

This is a change from what was printed in the minutes of the association, due to New Hope Baptist Church of which it was originally scheduled being unwilling to accept the Sunday School Convention This year.

We really enjoyed the childrens program last year and the message of the day as well. We certainly hope we can have a representation from every church in the association this year at Jones Valley. We are extending a cordial invitation for each and every one to come and bring your Youth Chior or Quartet, or any of the children to recite Bible versed which they have learned in Bible school or Sunday School.

To All Menbers of the Newfound Baptist Association;

The 52nd Annual session of the Newfound Missionary Baptist Association Sunday School Convention will meet with Liberty Baptist Church,on Spring Creek, on Saturday, August 1, 1987. The meeting will convene at 9:30 A.M. and will continue until approximately 3 P.M. with lunch being served around noon. We ask all that can to bring a covered dish, as this will relieve some of the burden from the host church.

We have been blessed the last few years with a most wonderful Sunday School convention, and we expect just as much from our convention this year.

We want to encourage each church to bring your young people and attend if at all possible. The youth of each church represented last year was a great blessing, and not only the youth but the adults as well and the Gospel message of the day. Each church may have its children to sing or recite bible verses or tell some of the things that they learned in bible school. If you have singing groups please bring them all.

We just love to have representation from every church in the Newfound Association. After all this is one of the few times during the year that we as sister churches have the opportunity to fellowship together.

Please announce this in your church and try if at all possible to attend. We would especially like to see each pastor, Sunday School Superintendent and Sunday School Teacher present and all others who can come.

May God Richly Bless Each Church

Secretary, Newfound Missionary Baptist

Dear Fellow Laborers In Christ;

The 51st. annual session of the Newfound Missionary Baptist Association Sunday School Convention will meet with Lower Big Pine Baptist Church,Big Pine Road, Marshall, N.C. on Saturday, August 2, 1986. The meeting will convene at 9:30 a.m. and will last until approximately 3 p.m. .

We are pleased to say that the Sunday School Convention last year was possibly the best ever, and we are expecting this years to be even better.

We want to encourage each church to try to bring your young people and attend if at all possible. The youth of all the churches represented last year were a blessing to everyone who attended. Each church can have it's own program of songs, bible verses or whatever you desire. Some churches let their children tell what they learned in Bible School. I'm sure whatever you choose to do it will be a blessing.
